

Boarding Rate Increase and NEW Package Offers Effective August 1, 2026

Dear RVC Customer,

We want to reach out personally before August 1st with an update on RVC's pricing, and more importantly, the reason behind it.

Running RVC the way we believe it should be run, means the kind of quality individualized care that makes a real difference in how your dog experiences their stay. This standard of care has always been non-negotiable for us, and it always will be. Then there are all of the operational costs which have, like for everyone else, continued to rise. . .

After holding our rates steady for as long as we could, an adjustment is necessary to ensure we can continue operating at the level you and your dog expect and deserve.

Effective August 1, 2026, our Overnight Boarding rates will be:

Suite size	Current (old) rate	New rate
Standard	\$38/night	\$42/night
XL	\$44/night	\$48/night

Day stay & play (daycare) remains \$38 per day; no change.

Introducing NEW stay packages!
