Transport Release (for 4wk Board & Train Dogs)

I give permission to the trainers or management at Ralston Valley Canine to transport my dog by personal vehicle for the following reasons and circumstances:

- To/From Ralston Valley Canine (Arvada) to Terroux Dog Training (Lakewood), an approximately 15-minute road trip one-way, for additional training opportunities such as group class exposure, AKC Canine Good Citizen class, and/or larger training space for certain training exercises and for private instruction with client, as deemed appropriate
- To/From Ralston Valley Canine to a public park for the purpose of outdoor distraction training, though only on an as requested basis by client.

Client's dog will be securely transported in a crate, or if dog is extra-large, will be secured to vehicle's seatbelt system in the rear seat section using a car-safe harness.

Ralston Valley Canine trainer or manager will use a licensed and safe vehicle that provides climate control, ventilation, is in good operating order, ensures the health and comfort of the dog at all times, and driver and vehicle are currently insured in accordance with the laws of the State of Colorado.

No dog will ever be left unattended in a vehicle for any reason, and trainer or manager will only transport client dog(s) at a time.

Client's dog will always remain on leash when not on Ralston Valley Canine premises.
